

## **Friends Free Library SUMMER READING SKETCHBOOKS**

**Students in Preschool  
through 2<sup>nd</sup> Grade!**

**Are you planning to read a few good books this  
summer?**

Join the Friends Free Library Summer Reading Sketchbook project and fill your sketchbook with drawings, doodles, poems, stories, and whatever else the books you read or listen to inspire you to create.

At the end of the summer, we'll have a sketchbook sharing party and put everyone's sketchbooks on display in the library.
